Staffing

Fire Station 1 is staffed 24 hours a day. During the day Engine 41 is staffed with a full-time lieutenant, a full-time firefighter, and two part-time firefighters, as well as a Battalion Chief. On nights and weekends, Engine 41 is staffed with a full-time lieutenant, a full-time firefighter, and two volunteer firefighters that stay on shift at the fire station as part of the volunteer duty crew program.

Fire Station 2 is staffed Monday through Friday between the hours of 7am and 5pm by a full time lieutenant and two part time firefighters. Nights and weekends the station is staffed by home response volunteer firefighters.

Fire Station 3 is staffed Monday through Friday between the hours of 7am and 5pm by a part time lieutenant and two part time firefighters. Nights and weekends the station is staffed by home response volunteer members.

Volunteer Duty Crew Program

The Volunteer Duty Crew Program provides an opportunity for volunteer members to provide staffing at Fire Station 1 with the career staff, providing a large financial savings to the tax payers of the fire district. Volunteer firefighters that participate in the program receive a small stipend for their time on shift. To participate, volunteer firefighters must be cleared to operate as a firefighter by completing their initial probationary training requirements. The department's continuation and expansion of the Volunteer Duty Crew Program allows for increased staffing, decreased response times, and preservation of the department's volunteer heritage.

Training

The Training Division oversaw 10,053.50 hours of documented training in 2019. The Training Division schedules courses that range from basic firefighting skills to advanced rescue techniques, and documents all member training each year. Members are required to obtain 36 hours of training each year by the State of North Carolina, a figure that is surpassed annually by the members of the department.

2019 Department Accomplishments

Over the past few years, the Youngsville Community has experienced a rapid rate of growth. With community growth comes the increased need for public safety. The Youngsville Fire Department continues to rise to the challenge, continues to work to increase capability, and continues to achieve goals through department progression and enhancement.
